

My team members and I field calls and emails on a daily basis from prospective renters wondering if we as real estate professionals can help them. [Answer - YES, AND YOU SHOULD SEEK OUR REPRESENTATION!!!](#)

Scam artists are everywhere and often find ways to benefit from grim circumstances. Although the following short video is from California, it does a great job of capturing what is happening in EVERY state, and is why it is great advice to have a real estate professional, even when renting. In addition to this, legal landlords are renting out their homes, collecting rent, not paying the mortgage, and tenants are being left literally out-in-the cold...

Don't go rent/lease a home without the proper representation. [Contact me, Derek Bauer](#) , and my Door to Dreams Team of Real Estate One in West Bloomfield. We will be sure to look out for your interests so that you don't become a statistic.
